FCC Form 525
High Cost Support Mechanism
Competitive Carrier Line Count Form

FCC Form 525
OMB Control No. 3060-0986
January 2005

NOTICE: Sections 54.307(b) and 54.802(a) of the Federal Communications Commission's rules requires all competitive eligible telecommunications carriers to provide line count information to USAC, the universal service Administrator, in order to be eligible to receive support. Pursuant to Sections 54.307(c) and 54.802(a), this information must be submitted by support mechanism on a quarterly basis in accordance with the incumbent carrier's line count reporting schedule. This collection of information stems from the Commission's authority under Section 254 of the Communications Act of 1934, as amended, 47 U.S.C. §254. The data in the form will be used to calculate the amount of support, if any, that each reporting carrier is eligible to receive from the High Cost support mechanisms.

We have estimated that each response to this collection of information will take, on average, 5 hours. Our estimate includes the time to read the instructions, look through existing records, gather and maintain the required data, and actually complete and review the form or response. If you have any comments on this estimate, or how we can improve the collection and reduce the burden it causes you, please write to the Federal Communications Commission, AMD-PERM, Washington, D.C. 20554, Paperwork Reduction Project (3060-0986). We also will accept your comments via the Internet if you send them to Judith-B.Herman@fcc.gov. Please DO NOT SEND COMPLETED DATA COLLECTION FORMS TO THIS ADDRESS.

Remember -- You are not required to respond to a collection of information sponsored by the Federal government, and the government may not conduct or sponsor this collection, unless it displays a currently valid Office of Management and Budget (OMB) control number. This collection has been assigned an OMB control number of 3060-0986.

The Commission is authorized under the Communications Act of 1934, as amended, to collect the information we request in this form. We will use the information that you provide to determine High Cost support amounts for competitive eligible telecommunications carriers. If we believe there may be a violation or potential violation of a statute or a Commission regulation, rule, or order, your form may be referred to the Federal, state, or local agency responsible for investigating, prosecuting, enforcing, or implementing the statute, rule, regulation, or order. In certain cases, the information in your form may be disclosed to the Department of Justice, court, or other adjudicative body when (a) the Commission; (b) any employee of the Commission; or (c) the United States government, is a party to a proceeding before the body or has an interest in the proceeding.

If you do not provide the information we request on this form, you are not eligible to receive support under the High Cost support mechanisms, 47 C.F.R. §§ 54.307 and 54.802.

The foregoing Notice is required by the Paperwork Reduction Act of 1995, P.L. No. 104-13, 44 U.S.C. § 3501, et seq.
